

1. Fuses for Indication Lights
2. Grid Indication Light
3. Main MCB 63A
4. Over & Under Voltage Protection
5. Inverter Input MCB 40A
6. Grid Surge Protection Device Type B+C
7. Inverter Output MCB 32A
8. Inverter Output Surge Protection Device
9. Change Over Switch 63A
10. Inverter Output Indication Light

INGE FZE

Wiring Diagram

This DB is wired with 6mm GP wire  
The bypass is wired with 10mm GP wire
